## 1. Introduction

### 1.1 **Purpose**

This document is User Manual of Telecom Infrastructure Facilitation and Management System (TIFMS) to implement Odisha Mobile Towers, OFC and related Telecom Infrastructure Policy 2017. This web based systemis developed for Electronics & Information Department, Government of Odisha.

The web system provides the means for Telecom Infrastructure/Service Providers to submit online application for seeking permission to establish Mobile Tower, Micro Communication Equipment, In-building System (IBS), Cell on Wheel (CoW) and lay Optical Fibre Cable Aerial, Optical Fibre Cable Underground and use Duct to Lay Optical Fibre Cable. Apart from this the Telecom Infrastructure/Service Provider can register grievance related to their application and get the status of their application and grievance through this web system.

The Citizen/Association Head/Public Representative will also be able to register grievance related to Telecom Infrastructure.

The Concerned Local/District/State Authorities of Government of Odisha will process the received applications and redress the received grievances of Citizen/Association Head/Public Representative and Telecom Infrastructure/Service Providers using this web system.

Apart from this, the Concerned Local/District/State Authorities of Government of Odisha will also manage the Bank Guarantee (BG) received against the applications of Optical Fibre Cable Underground using this web system.

### **1.2.** Scope of the User Manual

This User Manual will provide step by step guidance on how the Telecom Infrastructure/Service Providers will be able to lodge grievances in case of any irregularity in the process of providing NOC for establishment of Mobile Tower and for laying Optical Fibre Cable (Aerial), Optical Fibre Cable (Underground) and Duct, Micro Communication Equipment, In Building Solutions, and Cell On Wheel.

### **1.3.** Intended Audience of the Application

Telecom Infrastructure/Service Providers, concerned applicants, Association Head, Public Representative, Municipal Corporation (Municipal Commissioner), NAC, Municipality (Executive Officer), BDO (Panchayat Officer), District Collector, Commissioner of Police, Deputy Commissioner of Police,

Superintendent of Police, Divisional Forest Officer, Executive Engineer (TPNODL, TPSODL, TPWODL, TPCODL), District Telecom Committee (DTC), State Telecom Committee (STC), Officer Nominated by Central Government and all concerned Authorities/Principal Secretary/Secretary E & IT Department, Government of Odisha will be the intended audience of this web-based software application.

### **1.4.** Application Convention

The application has the following conventions:

- a. Fields which have \* sign indicate mandatory fields.
- b. Error messages will be displayed in the pop-up box.
- c. Success messages will be displayed in the pop-up box.
- d. All the menu links will be displayed in the side menu.

# 2. Registration for Grievance Management System

To Register on Grievance Management/Redressal System, Go To <u>https://www.mits.odisha.gov.in/apps/GrievanceAccount</u> and fill Full Name, Mobile Number, Email ID and other details in the respective fields and click on Register button.
